Subject: References for ADS Chapter 577, Information Technology Capital Planning and Investment Control Substantively Revised

This notice announces that three Internal Mandatory References for ADS Chapter 577, Information Technology Capital Planning and Investment Control (CPIC), have been substantively revised.

The following have been substantially revised:

- Investment selection criteria for evaluating information technology investments on question 4.1.1 within Tables 3, 3a, and summary Table 2:
- Changes to question 4.1.1 on Tables 3, 3a and Summary Table 2.
- These changes are made to the Security and Privacy questions to make questions more relevant to the security policy environment for each of the investment selection processes.

The revised Internal Mandatory References are attached.
